If the number of Unauthorized Returns exceeds NACHA's return rate threshold the rate will increase by \$10 per item and will be billed at this rate until the monthly rate is below NACHA's unauthorized return rate thresholds. The quantity and dollar volume of transactions upon which fees and charges are based shall be recorded by EPP or EPP's computer system that shall be presumed to be correct. Such fees will be calculated and debited from the Designated Account once each business day or month for the previous business day's or month's activity. EPP reserves the right to adjust the fees set forth on the Application and this Section in accordance with Section 9E below. Company is also obligated to pay all taxes and other charges imposed by any governmental authority on the services provided under this agreement.

B. Other Amounts Owed. Company will immediately pay EPP any amount incurred by EPP attributable to this agreement, including but not limited to unauthorized returns, fines imposed by NACHA, non-sufficient fund fees, and ACH debits that overdraw the Designated Account, Reserve Account or are otherwise dishonored. Company authorizes EPP to debit via ACH the Designated Account, Company Account, or any other account Company has at any financial institution for any amount Company owes EPP under this agreement or under any other contract, note, guaranty, instrument, or dealing of any kind now existing or later entered into between Company and EPP, whether Company's obligation is direct, indirect, primary, secondary, fixed, contingent, joint, or several. In the event EPP demands sums due or such ACH does not fully reimburse EPP for the amount owed, Company will immediately pay EPP such amount.
